# Principal's Message

Dear Sinsheimer Families,

## Pick Up Day!

We have an exciting pick-up opportunity this week on **Thursday, October 29th!**

- From 12pm-4pm, please PARK YOUR CAR and come on down to the Sinsheimer library.
  - Mrs. Cramer will be handing out library books ([click here](#) to request books).
  - Teacher specific materials will be available.
  - Mrs. Peters will be handing out innovate challenge boxes for the month of November.
  - Free Walk-A-Thon shirts will be available for pick-up!
- For everyone's health and safety, please note:
  - Face coverings/masks should be worn at all times.
  - Families should aim to be on campus for less than 15 minutes.
  - Do not come to campus if you or a family member are feeling ill.
- If you are unable to come to Thursday's pick up, please contact the school office at (805)596-4088. We can make other arrangements to get your child's materials to you. Be ready to tell us your child's T-Shirt size preference.

## Reminder

We want to hear from you! Sinsheimer is partnering with YouthTruth Survey to get input from our families about how to make our school better. If you haven't done so already, please take 15 minutes to fill out the survey. The deadline has been extended to **November 6.**

## School Board Meetings

Last week, on October 20th, was the first of three school board meetings in which school reopening was being discussed. The next two school board meetings will take place on November 3rd and November 17th. This slide presentation, [Timeline for Reopening our Schools](#), was shared last Tuesday. At Sinsheimer, we continue to focus on making our distance learning lessons and instruction as strong as possible as we await the next steps in our 20-21 school year. We are actively working on potential schedule changes and safety protocols that will be in place once students return to campus. I encourage you to provide input on surveys and tune into upcoming school board meetings.

We're thrilled to finally reschedule our Walk-a-Thon that was postponed back in March due to COVID-19. Instead of running laps on the school campus together, students will do the Walk-a-Thon on their own time. While this fundraising event is different from past years, we're looking forward to coming together virtually to celebrate our Sinsheimer community.

Please see PS post from PTA for more specific information!
