December 14th, 2020

Principal's Message

Sinsheimer Families,

Thank you for your continued partnership and support this school year. As a reminder, this week we are reorganizing our staffing and class lists to accommodate both family and staff member declarations as we look forward to a potential return to in person instruction. Families will be notified on Wednesday, December 16 after 3:30pm, of who their child's teacher will be for the rest of the school year. These new class groups will take effect on Monday, January 4th, as we continue in a distance learning format until we are in the Red Tier for 21 days.

Change can be challenging. But our students, staff, and community members are also resilient. As I reflect on the changes that have come before, I'm confident that we can harness the benefits that lie in these shifts to make the second half of this school year a time of good growth and connectedness. Let's continue to rally around our kids and take care of one another.

A huge THANK YOU goes out to all our teachers and support staff who have shown amazing problem solving, flexibility, and perseverance as the plan for this school year continues to evolve. Our teachers are truly remarkable, and I'm so proud to be on their team.

I hope you enjoy the Winter Break with those you love most. Let's all continue to stay safe and do our part so that we can return to school as soon as possible.

Best wishes!

Mrs. Tricamo

Library News

Just a reminder that December is full of many celebrations, traditions, and remembrances. All these books can be found in our school library.

Be sure to watch this [Video](#) to see how to search and request a library book.
